### UPDATE FROM THE IB POA BOARD

Cooler temperatures and overnight frost are alerting us to the Winter season. The leaves have changed color, and you may already be tired of pumpkin spice lattes! It's time to prepare for Thanksgiving and the rest of the Holiday Season.

This year is winding down, but your Board still has many things to do: 2025 final budget preparation, annual member meeting details, and 2025 vendor contract renewals to name a few.

- We will be renewing our contract with Good Earth for snow removal. The Board was quite satisfied with their first year of service.
- You will see some new signs by the picnic tables (to pack out trash) and along our pathways (to leash and pick up after pets; regarding motorized vehicles). We encourage you to take note and be a good neighbor.
- We hope that you voted on the Transfer Fee Amendment. We'll be sharing the results of the vote very soon.
- The Board added a new rule to our current Rules & Regulations: No common area property can be altered without Executive Board approval. More information will be available soon and the R&R will be updated on our website.
- **Plan to attend the Annual Meeting of the Members on Monday, December 2nd** (location pending). This is an important meeting, and we encourage you to attend and participate.

Happy Thanksgiving to everyone. May the warm glow of autumn surround you as you celebrate the holiday with family and friends.

*The next scheduled monthly Board meeting is **Monday, October 21st at 5:00 pm via Zoom**. (NOTE the time*

## OPEN BOARD POSITIONS

There will be up to 3 possible openings for Board Member positions. We need candidates with:

- A passion for our community and an interest in working on a team to properly manage the association.
- Great Ideas to improve where and how we live.
- An understanding of our POA structure and relationship with the Club.

Volunteers for the Board attend one board meeting each month, communicate with residents and the property manager via email, periodically meet with Club management, and occasionally work on projects. *(Section 4.2 Terms of Office. Terms of the Directors shall be two years and shall be staggered as follows. The term of at least one of the Directors shall expire annually, and at each annual meeting thereafter the members shall elect the same number of directors whose terms are expiring at the time of each election. No director may serve more than two (2) full consecutive terms unless no nominations are received or until the Executive Board can find a replacement. Upon serving two full consecutive terms, a director may not run for election for a period of one (1) year.)*

There are some important and fun things on the horizon: the Transfer Fee vote, re-vamping the mailbox center project, and perhaps a beautification committee for common areas.

A community needs member involvement and fresh ideas to enhance the quality of our neighborhood.

The election of Board members will take place at the annual member meeting in early December.

If you have questions about issues or details on board service, feel free to reach out to any of the current board members directly, or contact Key Stone management who will connect you with a board member at [office@keystoneman.com](mailto:office@keystoneman.com).

## RULES & REGULATIONS

### SNOW REMOVAL POLICY

Generally, during the winter months of December, January, and February, the Snow Removal Vendor will begin plowing at the Ironbridge Community streets and walking paths as soon as the snow, or is forecasted, to reach a cumulative depth of 2 inches or more, based on the 24-hour cumulative snow total.

Consideration of real-time snow accumulation will be also considered via a street camera located near 1027 River Bend Way and Garfield County snow plowing operations.

Snow will also be cleared if accumulation is less than two inches if: 1) it appears that leaving the snow will lead to ice build-up due to extended forecasted temperatures of below 30 degrees without sunshine or 2) another snow event is forecasted in the next 48 hours.

Snow plowing will typically occur in the morning before 8 a.m. unless there is a concentrated morning snowstorm, which may require plowing to best begin after that morning event. Plowing

priority will be given to the Ironbridge entryways, round-a-bout and main streets, secondary streets, and then to the walking paths including the walkways along CR 109 toward the river. Snow plowing in non-winter months (March through November) will occur if over 2" of snow has accumulated and there are extended forecasted temperatures of below 30 degrees without sunshine.

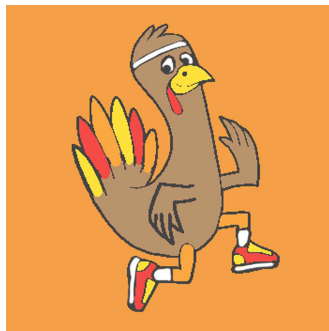

Salt, sand, and other snow de-icing chemicals will be used as the Snow Removal Vendor considers it necessary to prevent ice build-up. Specifically, such procedures will be done in areas shaded by homes and trees, the round-a-bout and steep and/or north-facing (e.g., both Ironbridge entryways) along with street drainage areas, as considered necessary.

The responsibility of snow berms created by snow plowing operations in driveways is that of the individual residents. Snow from such berms needs to be piled up on the resident's property and not pushed back onto the street. Consistent with our IPOA guidelines, vehicles should not be parked on the streets overnight as that vehicle will prevent efficient snow removal.

The IPOA can arrange for higher levels of service, however, those changes will lead to increased costs and ultimately higher monthly association fees. The goal of the Board is to balance providing a quality level of service in the most cost-effective manner.

## EXTERIOR LIGHTBULBS

One of the most common code enforcement violations that are reported is burned-out exterior lightbulbs. This isn't necessarily the owner's fault but is noted by the code enforcement officer so that new lightbulbs can be provided. Exterior light bulbs are no longer changed overnight by code enforcement to ensure owner privacy (not approaching the home unannounced). Management notifies you by email that a bulb is out and a replacement will be left at your door during the day. You are responsible for changing the bulb.

## UPDATES FROM THE IB POA BOARD SUBCOMMITTEES

### **RESIDENT ENGAGEMENT COMMITTEE**

# HURRICANE HELENE DISASTER RELIEF

*Photo from the Community Foundation of Southern Indiana*

Our committee works to help our community stay engaged. We are so blessed and thankful to live where we do. This year we discussed the needs of others at Thanksgiving and giving back. Our thought was to help those affected by the horrific floods that hit the southern coast. Take a minute to send a little something if you can.

## Here is a Short List of Trusted Sites Where You Can Donate:

### **American Red Cross**

As Hurricane Helene made landfall, the American Red Cross deployed hundreds of trained disaster workers and assisted thousands of people in shelters. Their work will continue through cleanup and recovery. You can also make a significant impact as a future Red Cross volunteer or by signing up to give blood.

### **United Way**

The United Way assists in disaster-related evacuations, shelters, food/clothing distributions, volunteer opportunities, and other resources. You can make monetary contributions to the national or local chapters.

### **Salvation Army**

The Salvation Army operates mobile feeding units, emergency disaster warehouses and other relief efforts.

### **CARE**

CARE is providing emergency cash assistance to help families in underserved communities who have been affected by Helene. The assistance aims to address their most urgent needs such as food, water, emergency housing, and medication.

If you want to give something locally, think about **Food Bank of the Rockies for Garfield County** for Thanksgiving.

---

Our next Resident Engagement Committee meeting is planned for Tuesday, November, 5th at 5:00 at the Kitchen. All residents are welcome to come!

## **“The Ironbridge Spookiest House Contest”**

**The Ironbridge Spookiest House Contest Winner is a Tie!**  
**344 River Bank Lane and 43 Wild Rose Drive!**

WOW! Thank you to ALL our Ironbridge neighbors who decorated for Halloween! Some homes were definitely over the top and so much fun for us to enjoy. Some homes even had their backyards decorated too! It was a very close contest. A committee member will reach out to the winners with your prize to [White House Pizza](#) (supporting our local resident owners).

Here are the "Spookiest" top three homes with the most votes:

Jeff & Annie Niemann  
344 River Bank Lane

Heather Hill  
43 Wild Rose Drive

Sean and Christina Duffy  
985 River Bend Way

### Bronco Sunday

The Kitchen has been busy with a fun gathering for Bronco on Sunday or even Thursday nights for football games. There may be a football pool to jump in on too plus have some drinks and food to enjoy with your neighbors!

### Reminder

Bears are hungry and getting ready to hibernate. Don't put your trash out the night before!

### MEET YOUR NEW NEIGHBORS

Brett and Michelle Boyle moved to Ironbridge in August. Brett works as a property manager, and Michelle is a preschool teacher. Their son, Bridger, is almost two years old and loves riding his bike and waving to everyone he sees. They also have a border collie named Tuck. The Boyles enjoy country music, traveling to Mexico, biking, camping, golfing, and spending time outdoors. They were attracted to Ironbridge because of the many opportunities to engage in family and community activities and are very excited to be here!

Welcome to Ironbridge Brett, Michelle, Bridger, and Tuck!

Do you have a will? And if you do, when was the last time it's been reviewed? Life happens, and securing your family's future by having up-to-date, compliant estate documents can make life's transitions easier to navigate. If you are interested in learning more or need to update your estate plan, you can reach out to our neighbor, Paul Smith of Wade Ash, LLC. Paul will work with you to create a custom estate plan designed to accomplish your specific goals, including planning for estate and income taxes, minor children, blended families, small business owners, special needs planning, and asset

protection. Paul will take the time to explain in detail each document within an estate plan, including a will, revocable trust, advance directives, or irrevocable trust so that you understand

and appreciate the objective of each document.

Wade Ash LLC was founded in 1982 as a boutique trust and estate law firm in Denver by Jim Wade. Since that time, the firm has continually been voted as a Best Law Firm in Colorado. All attorneys at Wade Ash LLC are actively involved in the Colorado Bar Association Trust & Estate Section, and many regularly contribute articles and speak on topics related to estate matters. With offices in Glenwood Springs and Denver, Wade Ash LLC represents clients throughout Colorado in a broad range of estate matters, including estate and tax planning, probate and trust administration, and estate-related litigation. Wade Ash LLC is home to more experienced attorneys, currently 12, than any other Colorado trust and estate firm. Paul practices out of the Glenwood Springs office.

After graduating from DePaul University College of Law in 2005, Paul practiced law in Chicago and Albuquerque, while his wife finished medical school and her residency. Paul has practiced law in the Roaring Fork Valley for 11 years and has been a resident of Ironbridge for the past 10 years. Paul also coached Glenwood Springs Grizzly youth ice hockey for many years and served on the Ross Montessori School board for 5 years. Currently, Paul serves on the Valley View Hospital internal funding committee and the Ross Montessori School policy committee.

So for peace of mind for you, and your loved ones, don't hesitate to contact Paul for all of your estate planning needs!

## REAL ESTATE MARKET UPDATE November 2024

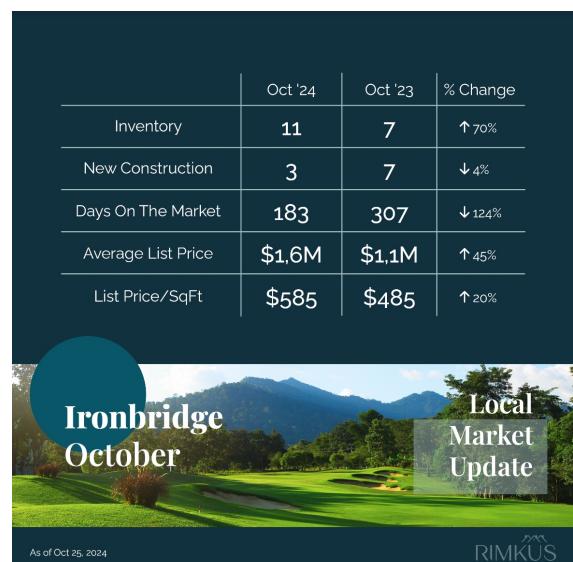

### Market Highlights

As of October 25, 2024, the real estate landscape from **Carbondale** to **Rifle** remains active, with some interesting dynamics as we approach the end of the year. Here's what's happening in Ironbridge and Glenwood Springs and what it means for homeowners and buyers.

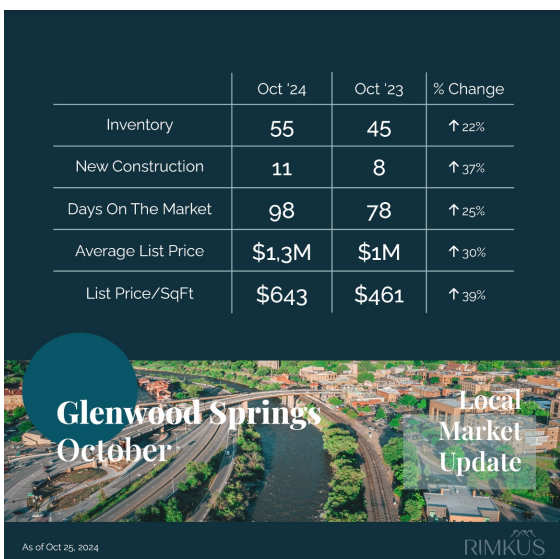

### Ironbridge Market Overview

- **Inventory**: 11 homes (+70% YoY)
- **Days on Market**: 183 days (-124% YoY)
- **Average List Price**: \$1.6M (+45% YoY)
- **Price/SqFt**: \$585 (+20% YoY)

No sales have occurred in Ironbridge over the past 30 days. Year-to-date, **16 homes have sold**, totaling \$19.2 million, compared to 19 homes and \$20.3 million last year. Notably, **206 River**

Vista is under contract after 151 days on the market, currently listed at \$1,199,500 after starting at \$1,345,000 in May.

Price Reductions: Six of the **11 homes for sale** in Ironbridge have had price reductions. This aligns with regional trends, as we often see seasonal price adjustments around this time of year to align with buyer interest.

### Glenwood Springs Market Snapshot

- **Inventory:** 55 homes (+22% YoY)
- **Days on Market:** 98 days (+25% YoY)
- **Average List Price:** \$1.3M (+30% YoY)
- **Price/SqFt:** \$643 (+39% YoY)

In October, **12 homes sold** in Glenwood Springs for an average price of \$841,068.

These homes stayed on the market for an average of 54 days and received 98.7% of their original asking price. 45% of homes in Carbondale and New Castle have also seen price adjustments, suggesting that sellers are strategically adjusting to current supply and demand.

### Regional and National Trends

The latest **Altos Research** shows that inventory growth has slowed nationwide, with many markets (including Colorado) experiencing balanced buyer and seller activity. Price reductions remain a common strategy, reflecting seasonal patterns and a balanced market.

For Ironbridge and Glenwood Springs, interest rates remain an important factor to watch. Lower rates may spark renewed activity as we move into the final quarter, but sellers should remain cautious and competitive with pricing, especially in the higher price ranges.

Feel free to reach out if you'd like more detailed insights or to discuss your specific real estate goals. Staying informed will help you make the best decisions in this dynamic market!
